3. Supervisory activities of the Board of Directors over the Board of Directors

In the first 6 months of 2026, the Board of Directors (BOD) has effectively performed the role of supervising the management and administration

activities of the General Director and the Group's senior leadership team through periodic meetings and monthly business situation reports, precious. On the basis of the information collected, the Board of Directors has closely coordinated with the Board of Directors to promptly propose solutions to remove difficulties and adjust appropriate strategies to improve the efficiency of production and business activities. Specifically:

- Regularly attend and contribute opinions at weekly/periodic briefings of the Board of Directors related to the implementation of key strategies and objectives approved by the Annual General Meeting of Shareholders.
- Direct and supervise the full and timely implementation of quarterly, semi-annual, annual and annual financial reports in accordance with law and current accounting standards.
- Supervise the disclosure of information, ensuring compliance with the principles of transparency, timeliness and completeness as prescribed in the Securities Law and relevant guiding documents.
- Monitoring the implementation of the Resolutions of the General Meeting of Shareholders and the Board of Directors; examine and evaluate the effectiveness of the management of the Board of Directors in each field of operation.
- Coordinate with the Supervisory Board to organize inspection and supervision activities for production and business activities as well as the Group's internal management.

On the basis of the supervision results, the Board of Directors noted that the Board of Directors has shown a high sense of responsibility, demanding and proactive in management. Reports, explanations and information disclosure are carried out fully, transparently, on time and in accordance with current laws.
